**Special Notes:**

The Raider Water Polo Camp will be directed by Cedar Ridge High School Head Water Polo Coach Alexis Gettys, with support from current athletes who bring energy, experience, and a peer driven approach to learning the game! This four day camp offers an exciting and engaging environment for athletes looking to strengthen the skills needed for water polo success. Campers will be grouped according to ability to ensure maximum learning and skill development. The camp will emphasize core water polo fundamentals, including ball handling, passing, shooting, defensive positioning, swimming technique, and overall game awareness. Over the course of the four days, athletes will participate in skill building drills, fun competitions, and controlled scrimmages. Beyond skill development, the camp is designed to build confidence, leadership, and a strong sense of teamwork, helping each participant grow both in and out of the water.
